Governor Musgrove Awards Grants in Panola County

(Jackson, MS) – Governor Ronnie Musgrove has awarded two grants to the City of Sardis and another grant to the Town of Como. Sardis will receive \$292,835 through the Capital Improvements Revolving Loan (CAP) Program for infrastructure improvements, and a \$600,000 Economic Development Grant for public facilities improvements on behalf of Skipper Marina Development Corporation. Como will receive \$54,942 for infrastructure improvements through the CAP program.

“We are working hard to help our communities improve their infrastructure and other services,” said Musgrove. “Strong communities build a strong economy and a better way of life for our citizens.”

The grants are administered through the Community Services Division of the Mississippi Development Authority. Among the division’s goals are assisting communities in analyzing their strengths and weaknesses, involving their leadership in economic development, planning development strategies, strengthening development organizations, and implementing and financing community projects. The Community Services Division also administers other Economic Development grant and loan programs.
